ORDER:

The petitioner states that she has been assigned an extent of Ac.2.84 cents in Sy.No.208-2B2 of Basapuram village, Kundirpi Mandal, Anantapur District on 16-11-998. She states that she has developed the land by investing her own labour and the limited resources and is undertaking cultivation over it. She complains that the respondents are trying to dispossess her even while the assignment is in force.

Heard the learned counsel for the petitioner and the learned Government Pleader for Revenue.

The petitioner has placed before this Court a copy of D-Form patta granted on 16-11-1998 as well as certain entries in various Revenue records. If what is stated by the petitioner is true and if the assignment in her favour is in force, the respondents cannot interfere with the rights of the petitioner. If the petitioner is found to have violated any conditions of assignment warranting cancellation, the respondents are under obligation to issue notice and conduct the proceedings in accordance with law. They do not have any right to unilaterally interfere with the possession of the petitioner.

Therefore, the writ petition is disposed of directing that the respondents shall not interfere with the possession and rights of the petitioner as long as the assignment in her favour is in force.
